

Raj Kumar Panda

Front End Engineer

5 Years 0 Month

(+91) 9777830889

rkp1819@gmail.com

Senior Front end Developer | React.js, Next.js, TypeScript

Profile Summary

With 5 years of experience in Frontend Development, Software Development, and Web Development, I excel in Client Interaction, Feature and Integration Testing, Agile Methodology, and Requirement Gathering. Proficient in Node.js, React.js, Redux Framework, JavaScript, HTML, and CSS, I possess expertise in both backend and frontend development. Leveraging my Gate 2020 qualification, I demonstrate a strong programming aptitude and a proficiency in handling every phase of the development process seamlessly.
